

Actyl Group is Canada's leading provider of workforce solutions. We specialize in recruiting, and retaining employees for the skilled trades sectors. From utilizing the temporary foreign worker program, or provincial nominee programs to transitioning into permanent residency, Actyl is a full service human resource company.

BENEFITS OF WORKING WITH ACTYL :

- Federally licensed & insured
- On staff Immigration Lawyer & RCIC
- Professional team of qualified Case Managers & Assistants
- Fortune 500 class information technology systems

Actyl Immigration

provides immigration assistance to Foreign Workers already in Canada by helping them through the appropriate Provincial Nominee or Federal immigration program. We also offer Work Permits (renewal/extensions), temporary spousal permits, and group English testing.

Actyl Recruiting

provides international recruiting services by utilizing the Foreign Worker Program. Actyl along with its international country partners is able to recruit well educated, experienced candidates (who possess a good command of the English language) to fill your company's labour shortages.
